RE: Mulia Glass Block update
July 18, 2022

Dear Valued Customers,

As we continue to close out the Mulia Glass Block product line, we will offer the remaining stock on hand for sale as loose materials and prefabricated panels while supplies last. All close out glass block purchases are final, and no returns will be accepted for the Mulia product line.

We estimate our remaining supply will run out by mid-August 2022 but this is subject to change based on demand.

Until then, please feel free to reach out to us with any of your glass block needs. We are still here to support you any way we can.

**** Please note that all of our other product lines - *Hydro-Blok Shower Systems, Therma-Glass Shower Doors and Structural Glass Flooring* are still readily available and will continue to be offered in full.**

As always, feel free to reach out to us with any questions.

Sincerely,
The Team at Seattle Glass Block
